Course	BSc Software Engineering
Year of Study	1

Academic Misconduct / Plagiarism Declaration

By attaching this front cover sheet to my assessment, I confirm and declare that I am the sole author of this work, except where otherwise acknowledged by appropriate referencing and citation, or where the assignment brief requires joint working with other students. It also confirms that I have taken all reasonable skill and care to ensure that no other person has been able, or allowed, to copy this work in either paper or electronic form (except where the assessment brief requires co-working with others), and that prior to submission I have read, understood and followed the University regulations as outlined in the Academic Integrity Policy and Procedure for Academic Misconduct available at the following link: https://www.uclan.ac.uk/study_here/assets/assessment_handbook_2122.pdf

Have you checked the following in order to maximise the grade you can achieve for this assignment?	Please select checkbox to confirm
Code is consistently and properly indented	<input checked="" type="checkbox"/>
Complex and critical sections of code are properly commented	<input checked="" type="checkbox"/>
Constants have been used properly to eliminate magic numbers	<input checked="" type="checkbox"/>
Correct numeric data types have been passed to the TL-Engine functions used	<input checked="" type="checkbox"/>

WELLBEING

<p>We wish to support any student who is experiencing mitigating circumstances which prevents students from performing to the best of their ability when completing or submitting assignments. If you are experiencing such circumstances, then you may apply for Mitigating Circumstances. Wherever possible this must be done prior to handing your assignment.</p>	<p>I believe that I do <input type="checkbox"/> I do not need <input checked="" type="checkbox"/> to apply for mitigating circumstances for this assignment at this moment in time.</p> <p>Please select as appropriate.</p> <p>(You may still apply for mitigating circumstances if you subsequently feel that your performance has been adversely affected by issues that you may currently be unaware of).</p>
